Beirut, Lebanon

North African and Middle-Eastern Affinity

▼ City Score

33
(highest=100)

▼ Affinity Average

**42**
(highest=100)

▼ Global ranking **33** of 163
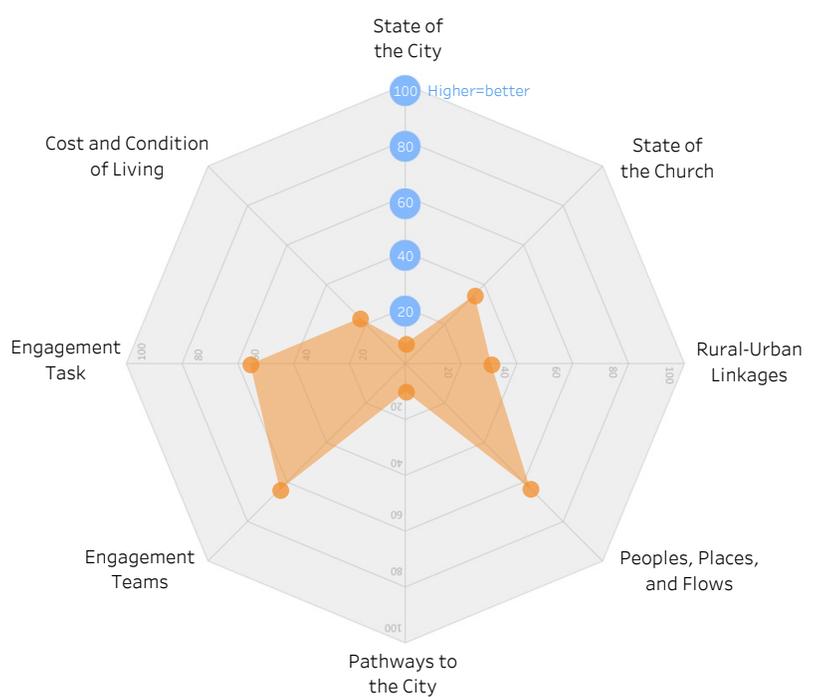

▲ City performance by indicator

In the spider web diagram above, the polygon represents the city. Each axis indicates a shalom category. Performance level ranks from 0 to 100 with 100 being the best. In general, the rounder the shape, the more active is the presence of shalom in the city.
